# Introduction

The Medical Intuitive Course is an immersive 8-class training designed to help you confidently read the body's energy, emotions, and wisdom in a safe and ethical way. This program bridges neuroscience, energy medicine, and grounded spiritual practice, giving you both the structure and the skills to translate intuitive insights with clarity and compassion.

Across each class, you'll explore energy anatomy, chakras, meridians, frequency, and emotional imprints, while learning how to integrate sound, light, and practical techniques into your work. Every step is focused on building your confidence through practice, reflection, and guided support, so that by the end you can apply medical intuition with accuracy and integrity—whether for yourself, your clients, or in your professional practice.

# At A Glance

Before you dive into the full details, here's a quick overview of the Medical Intuitive Course. This section gives you the essential information—format, schedule, requirements, and commitment—so you can see exactly how the program is structured and how it will fit into your life.

- **Format:** Delivered over 8 live, interactive classes on Zoom (recorded for replay), with additional resources, workbooks, and access to a private community for support.
- **Next Intake:** Classes begin 20th November 2025 — enrol early as this program is only offered once per year.
- **Location:** 100% online via Zoom, so you can join from anywhere in the world.
- **Time Zone:** All sessions run on Sydney time (AEST/AEDT) — international students can access replays within 24 hours.
- **Duration:** Runs across 3 months, with classes spaced fortnightly (every 2 weeks) to give you time for practice and integration between sessions.
- **Commitment:** Expect 90–120 minutes for each live class, plus 2–4 hours of practice and workbook activities per week. For best results, we recommend practicing as much as possible.
- **Certificate:** Receive a Certificate of Completion from Psychic Mediumship College upon finishing all classes and activities.
- **Prerequisites:** You must have prior intuitive skills or training — completion of Intuition Amplified (Level 1), Intuit Psychic (Level 2), The Eternal Soul (Level 3), or equivalent experience is required.

This quick snapshot gives you all the essentials, so you know exactly how the course is structured and what to expect before you enrol.

# Who This Course Is For

This program is designed for people who already have intuitive skills and want to take them deeper into the body-mind-energy connection. Whether you're working professionally with clients or developing your own practice, the course offers structure, tools, and guidance to help you apply medical intuition ethically and with confidence.

## **This course is perfect for:**

- **Practitioners** – coaches, therapists, healers, or bodyworkers who want to add an ethical, evidence-aware medical intuitive approach to their work.
- **Mediums and psychics** – those already skilled in connecting to Spirit who want to expand their insights into body-based awareness.
- **Intuitives** – people with existing abilities seeking a structured, grounded framework to strengthen accuracy and integrate medical intuition into their practice.

**Who it's not for:** This program is not designed for anyone looking to diagnose, replace medical care, or make ungrounded claims or promises. We emphasise ethics, scope of practice, and responsible referral to ensure medical intuition is practiced safely and with integrity.

# Course Outcomes

**By the end of the Medical Intuitive Course, you will be equipped with the knowledge that will assist you in:**

- **Confidently scan energy systems** to read the body's messages with clarity and accuracy.
- **Understand energy anatomy** including the aura, chakras, meridians, and emotional imprints.
- **Translate intuitive insights** into safe, compassionate, and empowering language.
- **Work ethically** within clear scope, boundaries, and referral practices.
- **Apply practical tools** such as sound, light, frequency, and guided techniques to support healing.
- **Hold safe space** for clients, combining intuitive accuracy with professional presence.
- **Develop repeatable processes** for conducting full intuitive sessions, both in-person and online.

This training is designed not just to expand your intuitive skills, but to give you the confidence, structure, and integrity to integrate medical intuition into your personal or professional practice

# Curriculum Overview

This 8-class training is carefully structured so each class builds on the last, guiding you step by step into confident medical intuitive practice. You'll move from foundational energy anatomy to advanced techniques, and finally into integrating everything within a full healing session.

## **Class 1: Introduction to Medical Intuition**

Lay the foundation by exploring energy anatomy, aura scanning, and emotional body awareness.

- Define medical intuition and its ethical scope
- Explore the four bodies: physical, emotional, mental, spiritual
- Understand aura layers, chakras, and meridians
- Practice aura scanning and emotional body awareness
- Strengthen grounding and protection techniques

## **Class 2: Chakra Intelligence**

Deepen your understanding of the chakra system, its imbalances, and tools for balance and healing.

- Learn chakra locations, functions, and imbalances
- Identify physical, emotional, and spiritual links
- Explore healing tools: foods, oils, crystals, sound
- Use pendulums or body testing for chakra balance
- Practice methods to restore flow and clarity

# Curriculum Overview

- Reclaim sovereignty through energetic alignment

## **Class 4: Teeth & Emotional Imprints**

Discover the tooth–organ–meridian map and release ancestral, somatic, and subconscious patterns.

- Explore tooth–organ–meridian–emotion mapping
- Recognise subconscious and ancestral patterns in oral health
- Learn impacts of dental trauma and toxins
- Release tension and restore energy through jaw practices
- Apply somatic and meridian techniques for clearing

# Curriculum Overview

## **Class 5: Frequency of Food & Fabric**

Understand how food, clothing, water, and thoughts hold vibration and influence energy health.

- Understand vibration in food, clothing, water, and thoughts
- Recognise how low-vibration inputs drain vitality
- Curate high-frequency nourishment for energy health
- Strengthen auric field through conscious lifestyle choices
- Align nutrition and environment with intuitive clarity

## **Class 6: Sound, Mudras & Light**

Work with sound, toning, mudras, and light frequencies to shift and balance the body.

- Explore sound healing and vocal toning techniques
- Apply mudras to shift and balance energy flow
- Work with light practices, including safe sun gazing
- Use solfeggio frequencies for cellular repair
- Integrate tools into intuitive healing sessions

# Curriculum Overview

## **Class 7: Bio-Energy & Voltage**

Explore the body as an electrical system and learn techniques to restore vitality and flow.

- View the body as an electrical system of health
- Recognise how emotions drain or recharge energy
- Identify energy disruptions from scars, tattoos, toxins
- Restore flow with hydration, movement, mudras, and light
- Build awareness of voltage and vitality patterns

## **Class 8: The Healing Blueprint**

Integrate all tools into a complete session framework with supervised practice and reflection.

- Structure and conduct complete intuitive sessions
- Learn protocols for remote vs. in-person practice
- Apply trauma-aware and epigenetic perspectives
- Use client tools to support integration and healing
- Gain confidence through supervised practice & completion

Each class builds on the last, guiding you step by step into confident, ethical medical intuitive practice.

# Frequently Asked Questions

## **What is medical intuition?**

Medical intuition is the ability to perceive information about the body—physical, emotional, mental, and energetic—through intuitive awareness. It does not diagnose or replace medical care but offers insights to support healing and wellbeing.

## **Do I need prior experience?**

Yes. This course is designed for those who already have intuitive skills such as psychics, mediums, healers, or readers, or equivalent experience.

## **Is this course a replacement for medical training?**

No. This program is for spiritual and intuitive development only. It is not healthcare training and does not replace medical, dental, or psychological care. Ethics, scope, and referral are central to the course.

## **Will I be certified?**

No. This course does not provide formal certification. You will, however, receive a Certificate of Completion from Psychic Mediumship College to recognise your study.

## **How is the course delivered?**

Classes are taught live via Zoom every two weeks and recorded for replay. You'll also receive templates, workbooks, guided practices, and community support.

# Frequently Asked Questions

## **What if I can't attend live?**

Replays are available within 24 hours of each class.

## **How much time will I need to commit?**

Each live class runs approximately 90–120 minutes, with an additional 2–4 hours per week of practice and workbook activities. To get the most from this training, we recommend practicing as much as possible.

## **What happens after I finish?**

You'll be able to integrate medical intuitive insights into your personal or professional practice, with the option to continue into advanced study or mentorship.

## **Do you offer payment plans?**

Yes. Flexible payment options are available—see enrolment details for specifics.
